PETITION FOR REVIVAL OF UNINTENTIONALLY ABANDONED APPLICATION

Commissioner for Patents
Attn: Office of Petitions
Washington, D.C. 20231

March 20, 2003

Sir:

This application became abandoned for failure to file a timely and proper reply to the Decision on Appeal mailed February 28, 2002 ("Decision"). The date of abandonment is April 30, 2002.

Applicants petition for revival of this application pursuant to 37 C.F.R. § 1.137(b):

1. Petition Fee - A Credit Card Payment Form in the amount of \$ 1,300.00 is attached.
2. Reply - An Amendment Pursuant to 37 C.F.R. § 1.196(b) is attached.
3. Terminal Disclaimer - This application was filed on or after June 8, 1995. Accordingly, no terminal disclaimer is required.

4. Unintentional Delay - The entire delay in filing the required reply from the due date for the required reply until the filing of this petition was unintentional. Please consider the following:

a. The Decision on Appeal contained a new ground for rejection pursuant to 37 C.F.R. § 1.196(b). The applicants were required to address the new ground for rejection by either (1) submitting an appropriate amendment and having the matter reconsidered by the examiner or (2) seeking rehearing before the Board.

b. The undersigned mistakenly filed a Notice of Appeal to the Court of Appeals for the Federal Circuit. Accordingly, the application became abandoned for failure to file a proper reply to the Decision on Appeal.

c. The Applicants filed an Unopposed Motion for Remand of the appeal back to the Patent and Trademark Office on August 8, 2002. The Federal Circuit remanded the application to the Patent Office on September 3, 2002.

d. The undersigned is a sole practitioner, and could not immediately prepare an appropriate petition because of an unusually heavy workload during the fall and winter of 2002. The abandonment was not properly docketed, and it was overlooked due to the continuing press of work.
